Greetings,

Attached is a copy of the draft permit, fact sheet and legal notice for Liberty Lake Sewer and Water District. In an effort to conserve resources, Ecology will be sending copies of permits, fact sheets and/or other permit related documents in an electronic format (PDF) to interested parties by email, except for original signed documents which will still be mailed to the Permittee. Those who would prefer to continue to receive hard copies by mail can send a request to Ecology in writing. Electronic copies will be sent unless a written request is received by Ecology.

Ecology will place a public notice in the Spokesman Review on June 30, 2016 to inform the public and to invite comment on the proposed draft permit and fact sheet, the review period ends August 29, 2016. During the comment period, Ecology will be having an open house and a workshop/public hearing. The dates and locations are below.

You may view other permit related documents online at https://fortress.wa.gov/ecy/wqreports/public/f?p=110:302:4247977446438142::NO:RP:P302_PERMIT_NUMBER:0045144
